At Builders, we understand there are donors and volunteers seeking a worthy cause toward which they can exercise their generosity. We locate community leaders around the world making an impact, who need additional building space to increase their capacity to help people. After the project has been reviewed and is ready, we then connect you, the difference makers who can make it happen. The Builders International community then comes alongside these leaders to ensure successful project completion.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Project Services - We offer construction services that include architectural design, construction planning, construction management, and on-site construction leadership. These services are offered to national church organizations, missionaries and partnering international organizations around the world, serving their respective communities and regions in a wide variety of ministry, community development, and compassion programs. In 2017, we saw substantial progress on a women's bible college dorm in Nepal, a compassionate outreach church in Russia, a church and outreach facility in Haiti, and a bible college in Chetumal, Mexico. As well, we completed four points of progress on projects around the world, thanks to the construction teams who have volunteered on our job sites. You can find the current Builders Priority projects, as well as many additional opportunities around the world, on our website at: www.buildersinternational.org/projects

Services offered include architectural design, construction planning, construction management, on-site construction leadership.

4b (Code:) (Expenses \$ 215,803 including grants of \$) (Revenue \$ 0)

Team Services - Mobilizing a volunteer team abroad is a huge challenge. Our team package services make it simple for a team leader because we cover all the details. We'll determine team cost tailored to fit your team. All you have to do is let us know what you're interested in and how much help you'd like. Builders will then do the rest. Services offered include team packages, locating a project and more. As well, we manage a guest house in Haiti that hosts construction teams and others working in the Port-au-Prince area. In 2017, we mobilized 473 team members to nine countries. Builders teams have the satisfaction of focusing on their experience and knowing that they made a significant impact by building hope in a community that needs it most.

See current teams offered at <https://buildersintl.org/events/teams>

4c (Code:) (Expenses \$ 50,306 including grants of \$) (Revenue \$ 0)

Marketing and Development Services - One of the biggest challenges each of the community leaders we partner with on construction projects is connecting with the potential donors and volunteers who are thousands of miles away in another country. Our marketing and development services include direct mail campaigns, online project listing services at <https://buildersintl.org/projects>, Facebook and social media attention, cases for support development, legacy teams (in-country site visits and solicitation for funding trips) and representation at promotional and networking events.
